Open Letter to the Citizens of Hudspeth County

To all of my friends and constituents in Hudspeth County:

I know that many of you are aware that I have been an avid promoter of the Annual Livestock Show since its very inception and I shall continue to be as long as I have the strength and ability to do so.

It saddens me greatly to have to inform you that the Board of Directors of the Hudspeth County Livestock Show Association has chosen to conduct the Annual Livestock Show scheduled on January 28-31, 2021 in violation of some of Governor Abbott's Executive Orders in regard to COVID-19 Restrictions.

I pray that those of you who plan to attend will take all proper precautions and I especially commend the buyers who have always been so supportive of our 4-H Groups.

Thomas D. Neely
Hudspeth County Judge
