

HUDSPETH COUNTY SPECIAL ROAD USE PERMIT APPLICATION

INSTRUCTIONS FOR SPECIAL ROAD USE PERMIT REQUEST

Use this application to request permission for special road use on county-maintained roads in Hudspeth County. A complete submission helps the county review the request, prepare the required contract, and place the matter on a future Commissioners Court agenda.

PLEASE INCLUDE WITH YOUR APPLICATION:

- Names of all county roads requested for use.
- Length of each road segment to be used, in miles or fractions of a mile.
- A map with each requested road clearly highlighted.
- Vehicle and load information sufficient for county review.
- Any additional supporting information requested by Hudspeth County.

PROCESS

- 1. Apply:** Submit the completed application and all supporting materials to Hudspeth County.
- 2. Identify roads:** Include the road names, approximate length of use, and a map with the requested roads highlighted.
- 3. Legal review and contract:** If the request is eligible to move forward, the application will be reviewed and routed for legal review and contract preparation.
- 4. Commissioners Court action:** The completed item will ultimately be presented to Commissioners Court for an order approving the Special Road Use Permit.

Incomplete applications may delay review. Submission of an application does not authorize road use until the county has completed its review and the Hudspeth County Commissioners Court has approved the permit by order.
