**Specifications/Scope of Work
Request for Qualifications (RFQ)
for Engineering/Surveying Services
RFQ 2024.06**

The County of Hudspeth is seeking to enter into an engineering/surveying services contract with a state-registered engineer/surveyor. The following outlines this request for qualifications.

Scope of Work

The engineering/surveying contract will encompass all application and project-related engineering/surveying services to the County of Hudspeth under its LPDM23-Legislative Pre-Disaster Mitigation Grant FY23, including but not limited to the following:

Post-Funding Services

- Initial Engineering and Design Support
- Engineering and Final Design Support
- Contract Management and Engineering/Surveying Oversight
- Specialized Services

Actual tasks to be performed, including but not limited to the following under each of these categories.

The approved Scope of Work (SOW) follows and the terms and conditions of this award are attached. It is important that the sub-recipient read, understand and comply with the SOW and all terms and conditions. It is also vital that this information be disseminated to sub-recipient's staff and contractors involved in work related to this project.

This project scoping activity will address the repeated damage to residential properties and infrastructure in the colonias due to frequent flooding because of the lack of a regulated stormwater system. The Fort Hancock East Units I, II and III Colonias were constructed post-FIRM and do not appear on the FIRM for the Fort Hancock area, effective November 11, 1985. The colonias currently do not have a formal, planned stormwater drainage system to convey water away from developed areas. No analyses have been conducted to document the flood risk in the community. Post-flood documentation does exist that illustrates the damages to roadways and residential property.

Under this project scoping activity, a hydrologic and hydraulic analysis (H&H analysis) will be conducted for drainage subbasins throughout the city to determine flood risk. The results of the analysis will be used to identify flood mitigation projects to reduce flooding in areas along 5th Street, Black Foot Road, and Apache Road. The analysis will help prioritize the projects based on greatest impact in reducing flood risk and complete grant sub-application package(s) will be developed for the prioritized project(s). Sub-application packages will include a detailed scope of work, the H&H analysis and mapping, engineering drawings, project schedule, detailed cost estimate, BCA, and information required for EHP review to provide "shelf-ready" mitigation projects.

In accordance with FEMA Instruction 108-1-1 and DHS Instruction 023-01-001-01; this project has been determined to be Categorically Excluded (CATEX a4.) FEMA concludes that the project is categorically excluded from the National Environmental Policy Act (NEPA) requirement to prepare further environmental documentation. No extraordinary conditions in accordance with DHS Instruction 023-01-001-01 exist involving this project.

Notary Public in and for _____ County, Texas

Hudspeth County, Texas
POLICY OF COMPLIANCE
SECTION 2252.908 TEXAS GOVERNMENT CODE
Approved by Commissioners Court May 10, 2022

BACKGROUND

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through the adoption of House Bill 1295. The law states that the County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) is provided to the county at the time the contract is considered for action by Commissioner's Court. The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term "contract" includes amendment, extension or renewal of an existing contract. The law does not apply to a contract between the County and another governmental entity or state agency. The county is required to file Form 1295 with the state within 30 days of approving a contract with a business entity. Governmental transparency is the objective of the law.

Senate Bill 255 adopted by the 85th Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018. Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code. Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. A business entity will generate Form 1295 online. Hudspeth County will acknowledge online the receipt of Form 1295 after a contract is executed. Within seven business days, Form 1295 will be available for public viewing on the Commission's website.

COMPLAINCE

Hudspeth County Commissioners Court will not consider for action any contract or bid with a business entity unless it is accompanied by a completed, signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt.

No later than 30 days after Commissioner's Court approves a contract or awards a bid with a non-exempt business entity, the **County Clerk** will file acknowledgement of receipt of the Form 1295 with the Ethics Commission.

DEBARMENT & SUSPENSION

Executive Order 12549--Debarment and Suspension

Source: The provisions of Executive Order 12549 of Feb. 18, 1986, appear at 51 FR 6370, 3 CFR, 1986 Comp., p. 189, unless otherwise noted.

By the authority vested in me as President by the Constitution and laws of the United States of America, and in order to curb fraud, waste, and abuse in Federal programs, increase agency accountability, and ensure consistency among agency regulations concerning debarment and suspension of participants in Federal programs, it is hereby ordered that:

Section 1. (a) To the extent permitted by law and subject to the limitations in Section 1(c), Executive departments and agencies shall participate in a system for debarment and suspension from programs and activities involving Federal financial and nonfinancial assistance and benefits. Debarment or suspension of a participant in a program by one agency shall have government-wide effect.

(b) Activities covered by this Order include but are not limited to: grants, cooperative agreements, contracts of assistance, loans, and loan guarantees.

(c) This Order does not cover procurement programs and activities, direct Federal statutory entitlements or mandatory awards, direct awards to foreign governments or public international organizations, benefits to an individual as a personal entitlement, or Federal employment.

Sec. 2. To the extent permitted by law, Executive departments and agencies shall:

(a) Follow government-wide criteria and government-wide minimum due process procedures when they act to debar or suspend participants in affected programs.

(b) Send to the agency designated pursuant to Section 5 identifying information concerning debarred and suspended participants in affected programs, participants who have agreed to exclusion from participation, and participants declared ineligible under applicable law, including Executive Orders. This information shall be included in the list to be maintained pursuant to Section 5.

(c) Not allow a party to participate in any affected program if any Executive department or agency has debarred, suspended, or otherwise excluded (to the extent specified in the exclusion agreement) that party from participation in an affected program. An agency may grant an exception permitting a debarred, suspended, or excluded party to participate in a particular transaction upon a written determination by the agency head or authorized designee stating the reason(s) for deviating from this Presidential policy. However, I intend that exceptions to this policy should be granted only infrequently.

Sec. 3. Executive departments and agencies shall issue regulations governing their implementation of this Order that shall be consistent with the guidelines issued under Section 6. Proposed regulations shall be submitted to the Office of Management and Budget for review within four months of the date of the guidelines issued under Section 6. The Director of the Office of Management and Budget may return for reconsideration proposed regulations that the Director believes are inconsistent with the guidelines. Final regulations shall be published within twelve months of the date of the guidelines.

Sec. 4. There is hereby constituted the Interagency Committee on Debarment and Suspension, which shall monitor implementation of this Order. The Committee shall consist of representatives of agencies designated by the Director of the Office of Management and Budget.

Sec. 5. The Director of the Office of Management and Budget shall designate a Federal agency to perform the following functions: maintain a current list of all individuals and organizations excluded from program participation under this Order, periodically distribute the list to Federal agencies, and study the feasibility of automating the list; coordinate with the lead agency responsible for government-wide debarment and suspension of contractors; chair the Interagency Committee established by Section 4; and report periodically to the Director on implementation of this Order, with the first report due within two years of the date of the Order.

Sec. 6. The Director of the Office of Management and Budget is authorized to issue guidelines to Executive departments and agencies that govern which programs and activities are covered by this Order, prescribe government-wide criteria and government-wide minimum due process procedures, and set forth other related details for the effective administration of the guidelines.

Sec. 7. The Director of the Office of Management and Budget shall report to the President within three years of the date of this Order on Federal agency compliance with the Order, including the number of exceptions made under Section 2(c), and shall make recommendations as are appropriate further to curb fraud, waste, and abuse.

Implementation in the SRF Programs

A company or individual who is debarred or suspended cannot participate in primary and lower-tiered covered transactions. These transactions include SRF loans and contracts and subcontracts awarded with SRF loan funds.

Under 40 C.F.R. 32.510, the SRF agency must submit a certification stating that it shall not knowingly enter into any transaction with a person who is proposed for debarment, suspended, declared ineligible, or voluntarily excluded from participation in the SRF program. This certification is reviewed by the EPA regional office before the capitalization grant is awarded.

A recipient of SRF assistance directly made available by capitalization grants must provide a certification that it will not knowingly enter into a contract with anyone who is ineligible under the regulations to participate in the project. Contractors on the project have to provide a similar certification prior to the award of a contract and subcontractors on the project have to provide the general contractor with the certification prior to the award of any subcontract.

In addition to actions taken under 40 C.F.R. Part 32, there are a wide range of other sanctions that can render a party ineligible to participate in the SRF program. Lists of debarred, suspended and otherwise ineligible parties are maintained by the General Services Administration and should be checked by the SRF agency and all recipients of funds directly made available by capitalization grants to ensure the accuracy of certifications.

individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules,

	<p>regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.</p> <p>The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.</p> <p>(c) Subcontracts. Each nonexempt prime contractor or subcontractor shall include the equal opportunity clause in each of its nonexempt subcontracts.</p> <p>(d) Inclusion of the equal opportunity clause by reference. The equal opportunity clause may be included by reference in all Government contracts and subcontracts, including Government bills of lading, transportation requests, contracts for deposit of Government funds, and contracts for issuing and paying U.S. savings bonds and notes, and such other contracts and subcontracts as the Director of OFCCP may designate.</p> <p>(e) Incorporation by operation of the order. By operation of the order, the equal opportunity clause shall be considered to be a part of every contract and subcontract required by the order and the regulations in this part to include such a clause whether or not it is physically incorporated in such contracts and whether or not the contract between the agency and the contractor is written.</p> <p>(f) Adaptation of language. Such necessary changes in language may be made in the equal opportunity clause as shall be appropriate to identify properly the parties and their undertakings.</p> <p>[80 FR 54975, Sept. 11, 2015]</p>

Certificate of Interested Parties – Form 1295

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through adoption of House Bill 1295.

Senate Bill 255 adopted by the 85th Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018.

Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code.

Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

The law states that a County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) has been completed and provided to the County at the time the contract is considered for action by Commissioners' Court.

The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term "contract" includes amendment, extension or renewal of an existing contract (bids and/or proposals also require Form 1295). The law does not apply to a contract, bid and/or proposal between the County and another governmental entity or state agency. The county is required to file Form 1295 with the state within thirty (30) days of approving a contract with a business entity. Governmental transparency is the objective of the law.

A business entity must generate Form 1295 online. A business entity must use the application at the Texas Ethics Commission website to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number and date filed in the box marked "Office Use Only" located at the top right hand corner of the form.

An authorized agent of the business entity must sign and complete the bottom portion of the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

Hudspeth County Commissioners' Court will not consider for action any bid, proposal and/or contract with a business entity unless it is accompanied by a completed, signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt.

No later than thirty (30) days after Hudspeth County Commissioners' Court approves a contract or awards a bid or proposal with a business entity, the County Clerk will file acknowledgement of receipt of the Form 1295 with the Texas Ethics Commission. The Texas Ethics Commission will post the completed Form 1295 to its website within seven (7) business days after Hudspeth County acknowledges receipt of the form.

Debarment:

Vendor certifies that at the time of submission of its bid, proposal and/or contract, vendor was not on the federal government's list of suspended, ineligible or debarred vendor and that vendor has not been placed on this list between the time of its bid, proposal and/or contract submission and the time of execution of the bid, proposal and/or contract.

If vendor is placed on this list during the term of the bid, proposal and/or contract, the vendor shall notify the Hudspeth County Auditor. False certification or failure to notify may result in termination of the bid, proposal and/or contract for default.

Invoices and Payments:

All invoices are subject to approval by the Hudspeth County Auditor's Office.

Invoices shall be billed to Hudspeth County to the attention of the County Department that the invoice pertains to and, if applicable, have all necessary backup information needed.

Invoices shall be itemized (detailed) and free of sales tax (state, city and county sales tax) and federal excise taxes, if applicable.

Invoices that are not billed to Hudspeth County to the attention of the County Department that the invoice pertains to, not itemized (detailed) and/or free of sales tax (state, city and county sales tax) and federal excise taxes, if applicable, may be returned to the vendor for corrections. Hudspeth County will not incur any fees and/or charges for this request and/or delay in payment of the invoice(s) that was originally submitted incorrectly.

Payment of all invoices will be made once the purchase order and invoice(s) are properly and timely submitted to the Hudspeth County Treasurer's Office by the appropriate County department. Each County department is responsible for submitting their purchase orders for payment to the Hudspeth County Treasurer's Office by the deadline time and date set forth by the Treasurer's office. No payment can be made or mailed out until approved by Hudspeth County Commissioners' Court. Purchase order due dates/times and Commissioners' Court dates/times are subject to change.

Hudspeth County's obligation is payable only and solely from funds available for the purpose of this purchase. Lack of funds shall render the order null and void to the extent funds are not available and any delivered but unpaid goods will be returned to the seller by the county.

Gratuities:

Hudspeth County may, by written notice to the vendor, cancel any order and/or service without liability, if it is determined by Hudspeth County that gratuities, in the form of entertainment, gifts, or otherwise were offered or given by the vendor, or any agent or representative of the vendor to any officer or employee of Hudspeth County with a view toward securing an order and/or service.
